Paper No.: \_\_\_\_\_

Paper Title: \_\_\_\_\_

Author(s): \_\_\_\_\_

It is confirmed herein that the undersigned (hereafter Author) agrees to transfer copyright to the above named paper to the SASIMI Workshop for publication in a volume tentatively entitled Proceedings of the Synthesis And System Integration of Mixed Information Technologies (SASIMI 2015 Proceedings) in the form of CD-ROM and Official Archive\*.

All other proprietary rights such as patent right, the right to reuse all or part of the paper in later works and right to reproduce, or have the above paper reproduced for Author's personal use or for company use provided copies are not offered for sale, shall be reserved to the Author.

The Author is responsible for ensuring that the publication of the above paper in the SASIMI 2015 Proceedings will not constitute an infringement of a third party's intellectual property rights, which include copyrights, or if such publication is likely to constitute such an infringement, then the Author shall keep the SASIMI Workshop fully and effectively indemnified against all liabilities arising out of such infringement.

This agreement is effective if signed by all author(s), or and author who is authorized to act on behalf of all the authors, or authorized individual of the organization for which the work was performed.
