

## **FINAL CALL**

### **Call for Papers**

# **SASIMI 2015**

THE 19TH WORKSHOP ON  
SYNTHESIS AND SYSTEM INTEGRATION  
OF MIXED INFORMATION TECHNOLOGIES

**March 16–17, 2015**

**Evergreen Resort Hotel, Yilan, Taiwan**

This workshop will provide an interchange forum on system design, design experiences, EDA, and design methodologies for both of industry and academy. Presentations on theoretical aspects, practical issues, case studies and applications are encouraged. The workshop gives an opportunity for presentation and discussion of advanced work and research. Works in progress and new ideas are also welcome. Special sessions for hot topics will be provided. Proposals for the topics are welcome.

**Areas of Interest** include, but are not limited to:

- System Design and Design Experiences, Industry Experiences
- Embedded Software Design
- New Design Methodologies (MEMS, Design for Bio, Automobile, Environment, etc.)
- Design for Manufacturability and Reliability
- Behavioral/Logic/Layout Synthesis
- Test, Verification and Simulation
- Analog and Mixed-Signal Design

### **Submission of Papers:**

Prospective authors are invited to submit short papers of 2 pages, or full papers\* of 3 to 6 pages, electronically via the web site below. Detailed instructions for paper submission will be available at the web site. Official language is English.

\* Best Paper Awards will be selected from full papers.

### **Key Dates:**

<b>Submission due date</b>	<b>October 24, 2014</b>	<b>November 2, 2014</b>
<b>Notification of acceptance</b>	<b>December 22, 2014</b>	
<b>Final paper due date</b>	<b>January 23, 2015</b>	

### **Questions should be directed to:**

SASIMI 2015, c/o Prof. Juinn-Dar Huang

Department of Electronics Engineering, National Chiao Tung University  
1001 University Road, Hsinchu 300, Taiwan
