Get to know Taiwan from Tainan! Tainan is the very first page of Taiwan's modern history. From the maritime age to the expansion development of early Han Chinese, Tainan was the political and military center of Taiwan. It has been a gateway to Taiwan since the Dutch colonial period, and flourished through the Zheng's regime as well as the Qing dynasty. Tainan's legacy has not only left it with a large number of cultural properties and exquisite delicacies but also enrich its religious and folk activities. Furthermore, Tainan has Taiwan's biggest lagoon, two internationally-known wetlands, two national scenic areas and one national park. With all the credits, Michelin Green Guide, the world's well-known rating system, recommended Tainan as a three-star destination that one must visit. Here in Tainan, you can discover the epitome of Taiwan's history, culture, traditional arts, street delicacies, and natural ecology. With its glamorous

charm, the friendly city, Tainan, welcomes you to visit.

Tainan is the cultural capital in Taiwan. Famous Michelin Green Guide recommends Tainan as an international 3 star tourist city. Besides, Lonely Planet recommends Tainan as a must-go city. There are several recommended 3 star scenery spots full of historical meaning: Chih Kan Tower, Grand Mazu Temple, Wu Temple, wu Temple, and Nan Kun Shen Dai Tian Temple. Based on above scenery spots, Tainan City Government plans "Tainan Michelin 3 Star

Four" which leads tourists to go across time and space, explore the cultural capital in Taiwan, and find the attractive

spots in Tainan in a slow-pace and wandering way. For tourist guide appointment, please refer to the official website of
